In case you were taken from your loved ones, would they be provided for as you are providing for them now? Would there be money on hand to pay necessary expenses to meet obligations already made and to keep the home together?

This Association writes a policy which not only provides for Death Benefits, but pays good Accident Benefits as well. We are doing a Safe, Reliable business and the expense of carrying a policy in this Association will be so little that you will never miss it, and at the same time you are helping some neighbor's family when you pay a claim in our Association. AFTER THREE YEARS

Snyder Testimony Remains Unshaken

Time is the best test of truth. Here is a Snyder story that has stood the test of time. It is a story with a point which will come straight home to many of us.

W. F. Davis, Snyder, says: "My kidneys were weak, causing me to get up often at night. I also suffered from rheumatic pains. I used Doan's Kidney Pills and in a short time my kidneys were strong and the rheumatic pains had left." (Statement given Jan. 17, 1918.)

On November 19, 1918, Mr. Davis said: "Since I have my former recommendation for Doan's Kidney Pills, I had occasion to use them three and I got just as good results as ever."

Please take all dealers don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same kind Mr. Davis has twice publicly recommended. Foster-McIlhenny Co., Props. Buffalo, N. Y.

METHODIST MISSIONARY

ACADEMY

The Methodist Missionary Academy met Monday notwithstanding the wind and said: "We had a good attendance and I am sure we were amply paid for our trouble. The Perfectionists will condemn us. Mrs. Higgins was highly appreciated. She is a good instructor and we need all she will give us. Our side of the hill the meeting was strictly business, no singing and no other things pertaining to our work. We looked to serve dinner one day during next week. Remember we are waiting the end of the first quarter. Bring your dues and help make a good report."

Wilkes led the devotional service after which followed the business session. All committees gave in good reports. Special mention is made of the work being done by the personal service workers. Who

can estimate the good that will come from a service rendered for the love of Christ and humanity?

Four new names were added to the roll as honorary members.
